I bought a few of these for my Graco Travel Lite Pack N Play, but they aren't the "right size." They fit

well, but seem a little too stretchy for the "snug" fit that is required. Since the corners of the mattress in my specific Pack N Play tuck into the outer crib, it will work just fine, but I don't know if all Travel Lites have the corner feature. Overall, it is a good sheet, but could be a little tighter to fit the mattress better.
